

Community Grant Writing Services

Thought about starting a new program or project?
Need funding, but don't know where to start?

River Hills EDD & RPC provides grant research, proposal writing, and other related technical assistance to any not-for-profit entity serving Clark, Floyd, Harrison, Scott, or Washington Counties in Southern Indiana.

Grant Research

- With access to the most complete grantmaker databases and information available, we can identify grant funding opportunities that best fit your mission or project.

Grant Writing & Proposal Review

- You've identified a funding opportunity. Now let us do the writing for you!
Or, write your own proposal, and let us proofread it.

Grant Follow-Up & Close-Out Reporting

- We can complete any follow-up and close-out reporting required.

To date, River Hills has helped to garner over \$4.5 million for local not-for-profits.
Services are provided on an hourly fee-for-service basis.
